Who We Are

Gaskill Limited is a registered **building works** and **roadworks contractor**, licensed by the National Construction Authority (**NCA**) of Kenya. The company was established by construction professionals with over a decade of industry experience, and has since built a reputation for technical competence, reliable delivery, and professional conduct across a range of building and civil works projects.

We Serve:

- ✓ Individual Clients
 - ✓ Private Developers
 - ✓ Corporate Entities
 - ✓ Institutions
 - ✓ Government Agencies
-

Mission

To deliver safe, quality building and civil works that meet our clients' requirements, on time, within budget, and in full compliance with applicable standards and regulations.

Vission

To be the contractor of choice in Kenya, recognised for consistent delivery, technical excellence, and professional integrity.

Scope of Work

✓ Building Works

Gaskill Limited undertakes the construction of new buildings as well as renovation, structural, and fit-out works across residential, commercial, institutional, and industrial sectors.

✓ Roadworks & Civil Infrastructure

Our civil works capability covers road construction and rehabilitation, earthworks, grading, drainage works, culverts, and related infrastructure. We have experience delivering both public and private civil infrastructure projects.

✓ Preconstruction Services

We engage with clients and design teams during the pre-construction phase to provide cost planning, constructability input, value engineering, and scheduling, establishing a clear and realistic framework before work commences.

✓ Project Management

For clients who require structured oversight, we provide end-to-end project management covering design coordination, procurement, subcontractor management, quality control, safety compliance, and formal handover.

Our Values

✓ Integrity

We conduct our business with honesty, transparency, and fairness in all dealings with clients, partners, and regulatory authorities.

✓ Quality

We deliver workmanship that consistently meets and, where possible, exceeds specified standards.

✓ Accountability

We take full responsibility for our commitments, actions, and the outcomes of our work.

✓ Professionalism

We uphold the highest standards of conduct, competence, and reliability in every engagement.

How We Operate

Gaskill Limited operates across three service models depending on the nature and scale of the client's requirements:

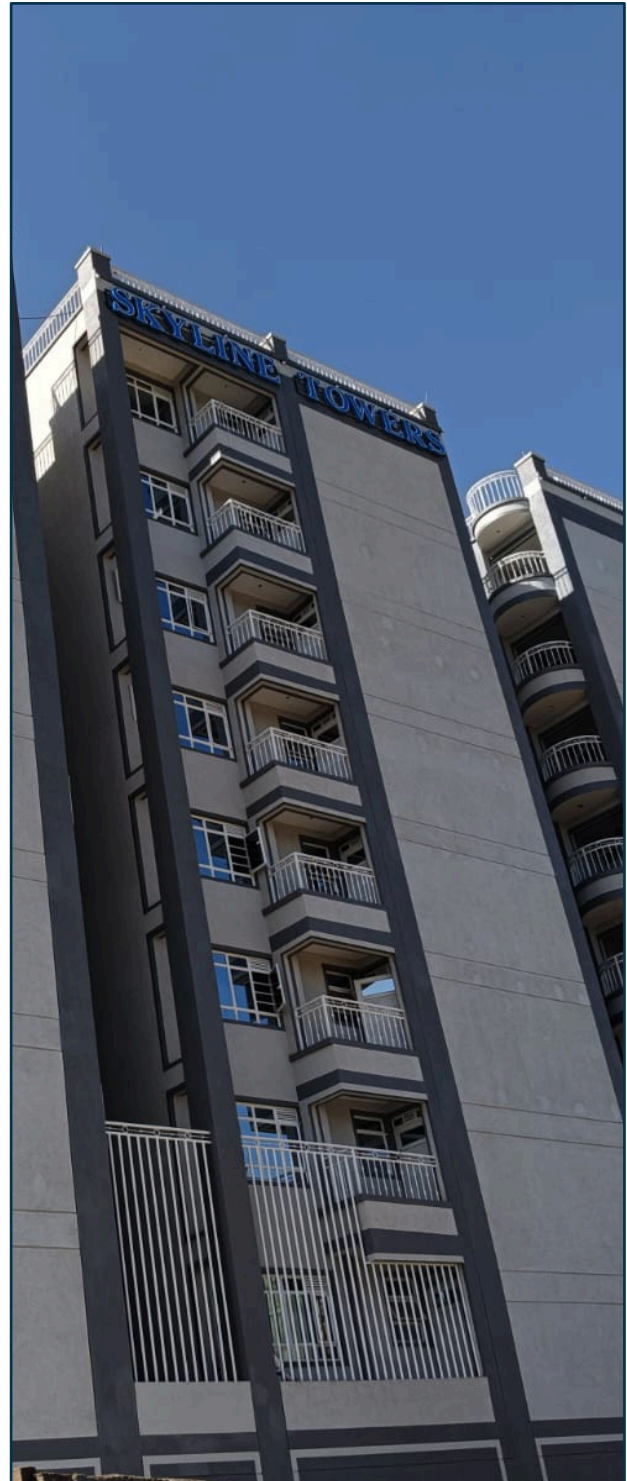

As a **Main Contractor**, we take full responsibility for the delivery of the project, managing all works, subcontractors, and site operations on behalf of the client.

As a **Sub Contractor**, we are engaged to execute specific scopes of work within a larger programme, in close coordination with the lead contractor or client's project team.

As a **Strategic Partner**, we work as an extension of the client's team on ongoing or multi-site programmes, providing consistent, measurable project oversight across all phases and locations.
